

AMRAVATI VIDYALAYA

Annual Report

The true aim of education is the holistic development of body, mind and soul. It is to develop the mind of the child by instilling in him a curiosity to learn more and more.

Our aim is to provide opportunities and exposure to students to a wide variety of invaluable learning experiences. Our institution is a full-fledged CBSE affiliated Senior Sec. School and we offer four streams namely Medical, Non- Medical, Commerce & Arts in the Sr. Sec. Section. Under the able guidance of our Chairman Sh. Kulbhusan Goyal and an able and progressive minded Managing committee and above all with the strong support of my dedicated staff, we are progressing well in all these fields.

Strenuous exercises and interest in games and other co-curricular activities are outlets for the Vigor of the youth. Ample opportunities are being provided to our students to play and prove their mettle in various sports and games at School, Cluster, Regional and even national level competitions. Students have won medals in Kabaddi, Volley Ball, Martial Arts, Athletics and many other events.

At school level, a plethora of activities are lined up as our zero period activities. Considering the excellent benefits students derive through extra- curricular activities, we have included: Western dance, Martial Arts along with Aerobics, Music, Yoga, Robotics, Skating and Cricket coaching etc. For many of the above, we outsource experts in each discipline.

Our school team got 1st position in District Level Science quiz organised by DEO, Haryana. Our school students also received cash award worth Rs. 10000/- a part of Inspire Manak Schme (Department of Science and Technology)

This year 138 students appeared for class X and 75 in class XII in AISSCE and AISSE examination. The result of our school in these prestigious examinations is a testament of the hard work of our students and competent faculty. In addition to academics, our students have shown immense fortitude in Sports and Cultural fields.

I feel happy to inform you about some of the special achievements of our students at various levels.
